

The April 21, 2009 CARS Meeting was called to order at 1907 hours by Tim, WD8PMD, President.

Present: WD8PMD, WB8ICN, N8RWK, KD8HIW, K8EXF, N8CDK, KD8AAD, KA8VLN, KC8IJZ, W3IGT, KD8IXP, KA8VMJ, KC8CLY, KZ6ZZ, and KI8C.

WD8PMD reminded us that Harlin donated an HT for a club raffle, and that will start next month.

Announcements: N8RWK reminded the club that Adopt a Highway is to be held on April 22, 2009. We are required to watch a video that Jim has on the safety of the event. It will be shown during the break.
Steve has county maps for those that are interested.

KZ6ZZ offered rides to the May 16, 2009 Dayton Hamfest for anyone interested, he has four seats available.

KI8C provided information on VE session. There were four people that participated. Three people obtained their license and one upgraded.

WD8PMD reminded us about Field Day which is upcoming. KC8IJZ said that he is in the process of finding a new location for the Field Day.

WD8PMD talked about getting the last of the equipment installed at the Napoleon Fire Department. Denny will stop by and see what has to be done. The club will do the install on May 9 at 0900 hours.

KZ6ZZ asked about the first of the month siren test for Napoleon Township. WD8PMD said that most of the sirens are on a silent alarm and that we do not know which ones these are, yet the Township couldn't tell the club which ones were on silent alarm, so we are not bothering with this project.

The club members began their build project on a PIXIE 2, QRP p, CW Transceiver kit.

Meeting adjourned at 1925 hours.

Respectfully submitted,
Rosemary Gunsett, KI4V0, Secretary
