Jim - N8RWK

Dave - W3IGT

Dennis - KC8IJZ

Tim - WD8PMD

JoAnn - KC8CLY

Lee - KA8VLN

Dick - KI8C

April - No CALL

Jack - KZ6ZZ

Larry - N8BNE

Fred - KD8IXP

Net Manager: Jim Baker reported that everything is okay with the Net.

President's Report: There was nothing to report, but Tim asked if anyone used Packet Radio? Dick KI8C stated that he occasionally used it. Tim said that CARS owns two Packet Radio Stations, one downtown and one at the health department and if they weren't going to be used, they would be turned off. President also asked for volunteers to stop by the installed radios at the fire stations, etc., to use them to operate a net, and/or to check them out. Tim also asked if the club would purchase a connector kit for coax? The cost would be about \$175.00. There was no decision made for this expense.

Fund-Raising: Tim was asking for ideas for fund-raising because the club dues is only keeping up with expenses. No ideas were presented.

Fort Wayne Hamfest: November 14 & 15. The Fort Wayne Ham Club sent CARS four complimentary tickets. They were distributed to those who plan to attend.

Next Club Meeting: November 17, 2009. Mike will be doing a build project.

Membership List and Booklet: Dave, W3IGT, volunteered to put together a list and booklet of names and call signs.

Meeting adjourned: at 1920 hours. The club built portable 2 meter j-pole

antennas.

Respectfully submitted:
Rosemary Gunsett, Secretary
KI4VO
